

SOCIAL LIVES OF DIGITIZED CULTURE

About

Our HRI research cluster explores how humanists across the UIUC campus, in a variety of departmental contexts and career stages, are grappling with digitized culture; whether they are creating and curating these materials, or using them as data for their research (whether computationally or critically), or using them for new experimental pedagogies.

Join Us!

For: Our first informational session

When: September 9 @ 3:00

Where: [Zoom, click here.](#)
Meeting ID: 812 9801
5299
Password: 131864

Agenda

Our first session will gather community input for our proposed agenda.
