SOCIAL EVENT:

TRICK OR TREAT WITH DIGITIZED CULTURE

Do you have a digital project, dataset, or digital collection that focuses on culture? Want to hear more about what DH research is happening on campus?

This is a virtual brown bag to bring people together to share their ideas, experiences, and frustrations of working with digitized culture. Costumes are optional, but please feel free to bring your scariest digital object or problem.

Friday October 28, 2022 at 12pm CT on Zoom.
Register here: https://go.illinois.edu/SpookyData

Questions? Contact Zoe LeBlanc zleblanc@illinois.edu or John Randolph jwr@illinois.edu, or message us on the DH@UIUC Slack
